On November 18, John Main, recipient of the Sedalia Knights of Columbus Council 831 Frank V. Mehl Lifetime Achievement Award, presented the Boys & Girls Clubs of West Central Missouri's La Monte Unit Director, Daniel Savage, with a \$200 check to support the Club's afterschool programming at its La Monte site. In celebration of Main's 30 years of service to the Knights of Columbus, he was allowed to select a charity to receive the \$200 donation. Main chose the Boys & Girls Club because of their commitment to the youth of his community. The Frank V. Mehl Lifetime Achievement Award is the Knights of Columbus' highest honor awarded at the local level.
