Welcome

Welcome to the Boys & Girls Clubs of West Central Missouri! We are glad your child is part of our organization and are looking forward to a great year.

At the Club, we believe each day is a new opportunity to learn, explore, have fun and interact with peers. We focus on three main priority outcomes in all of our programs - Academic Success, Character and Leadership Development and Healthy Lifestyles. Every day, your child will take part in engaging learning opportunities, building on what he or she is already being taught during the school day.

This Parent/Member Handbook is a guide for you and your family to understand a little more about our Club policies. In it you will find specific information about fees, hours, medicine policies and other important facts. If you have questions, please speak to your Site Director or contact the Club at 660-826-8331.

You can learn more about what we do at the Club through our website, www.bgckids.com, and see day-to-day activities and photos on our social media sites by liking us on Facebook or following us on [Twitter @bgckids](https://twitter.com/bgckids)

GREAT FUTURES START **HERE.**

Safe Child Agreement

The Boys & Girls Clubs of West Central Missouri has varying hours of operation throughout the year due to holidays, school changes, professional training, inclement weather, etc. We will strive to keep you up-to-date of any changes, but it is the responsibility of each parent to be aware of the hours of operation and have transportation arranged accordingly.

Children enrolled in any of our programs must be signed out daily by a parent, legal guardian or other parent-approved adult.

If a member is not picked up by closing time, our staff must stay with him/her to ensure his/her safety. A late pick-up fee will be charged to the parent or guardian; rates will be charged per family, not per member, and will be calculated based on the Club site clock.

Any delay greater than five minutes will be charged at the rate of \$5 for each nine-minute interval (i.e. between 6 and 15 minutes late equals and additional \$5, between 16 and 25 minutes late equals an additional \$10) After 45 minutes a \$1 per minute fee will be charged.

Methods of Payment

Cash, check or credit cards (Visa, MasterCard, Discover and American Express) are all approved methods of payment. Speak to your Site Director or Site Assistant to make arrangements for credit card payments; a service charge of \$2 per transaction will apply. For insufficient checks a \$30 service fee will apply. Dues and fees are non-refundable.

Financial Assistance

The Boys & Girls Clubs of West Central Missouri offers financial assistance to families who qualify. For families approved for state-paid child care, it is your responsibility to pay your sliding fee to the Club as mandated by the state. The Club also offers scholarships for those who may not qualify for state pay. Speak to your Site Director for more information.

Member Dress Code

Children should be appropriately dressed for indoor and outdoor activities. For the safety of your child, members should wear tennis shoes and not sandals or open-toed shoes. On your child's swim day, you may send flip-flops or sandals for them to wear while at the pool only. Please do not forget to send weather appropriate clothing.

For safety reasons, if a child comes to the Club without appropriate attire, he/she may not be permitted to participate in certain activities.

Our Mission: To inspire and enable all young people to realize their full potential as caring and productive citizens.

Medical Emergency or Illness

If a child becomes ill while participating in any Club activity, he/she will be isolated from the other children as possible. A parent or legal guardian will be notified according to the contact information provided on enrollment forms and will be asked to pick up the child as soon as possible.

Staff members of the Club are American Red Cross certified in CPR and First Aid. If a child receives a minor injury, he/she will be given first aid, the injury will be documented and a parent/guardian will be notified. In some instances it may be necessary for a parent/guardian to come pick up the child.

In the event of a more serious accident or medical emergency, staff will take medical measures necessary for the care and protection of the child. By signing the Club's membership application and child care enrollment form, a parent/guardian grants permission to the Boys & Girls Clubs of West Central Missouri staff to authorize necessary emergency medical measures. In the event of an emergency staff will make every attempt to contact a parent, legal guardian or emergency contact provided at the time of enrollment. It is the responsibility of the parent/legal guardian to provide current contact information to Club staff to ensure ability to reach them in case of an emergency.

Medication Administration

The Club DOES NOT administer over-the-counter or prescribed medications of any kind to children. A parent/guardian may come in to administer the medication to their child only. A special form is available at the Club's Administrative Office to make necessary arrangements for your child's specific needs. Speak to your Site Director for assistance.

During the Summer, sunscreen is needed when youth participate in outside activities. Sunscreen is considered an over the counter medication. When you send sunscreen for your child, please label the container with your child's name. Staff do not apply sunscreen.

Lost & Found

The Boys & Girls Clubs of West Central Missouri is not responsible for lost, damaged or stolen personal items. Do not send valuable items to the Club with your child. Cell phones and other personal electronic devices must be secured by the members and remain off during Club participation.

Serving Children with Special Needs

Boys & Girls Clubs of West Central Missouri (BGCWCM) is committed to making all service locations available to youths who qualify for membership, demonstrate good character, will follow Club rules and do not present a “threat of harm” to themselves or others. To this purpose, BGCWCM will comply with the Americans with Disabilities Act (ADA) by offering “reasonable accommodation,” unless such accommodation creates a “disproportionate or undue burden” upon the organization or the youth presents a “threat of harm” to himself/herself or others. For the purpose of this policy:

- “Special needs” shall mean children with legally recognized disabilities or medical conditions under the Americans with Disabilities Act (ADA) and the laws of this state.
- “Reasonable accommodation” shall mean practical steps to facilitate the participation in existing Club programs or activities or assistance in locating a suitable service with another organization or agency.
- “Disproportionate or undue burden” shall mean requiring physical modifications, additional staffing, specially trained staff, medical personnel or other requirements that exceed the organization’s financial or supervisory capacity, or that increases the threat of harm to an individual or liability of the organization.
- “Threat of harm” shall mean children who will not follow the Club rules, pose a flight risk, exhibit verbal or physical aggression toward other persons, require restraint, therapeutic treatment or specially-trained personnel or one-on-one supervision.

When the organization receives a request, in writing, from a child’s parent(s) or guardian(s) to accommodate a special need, the Executive Director of the organization will:

- Review the request and schedule a meeting with the parent(s) or guardian(s) in order to discuss the nature of the request,
- Require the parent(s) or guardian(s) to provide any supporting medical documentation,
- Review the request with the Executive Committee to determine what form of accommodation can be offered and
- Schedule a follow up meeting with the parent/guardian(s) to discuss what they will or will not do in response to the request.

Our Mission: To inspire and enable all young people to realize their full potential as caring and productive citizens.

Communications

Communication is an integral part of the success of Club programs. A strong communication link must exist between Club staff and the home in order for the Club to be a safe and loving place for members to learn and grow.

- Acknowledge and support conflict resolution and discipline procedures.
- Provide the same level of respect one deserves and would expect from others, to all children and staff while in the Club setting.
- Engage in Club and child activities to strengthen the foundation of support for your child.

Club Staff are expected to:

- Communicate with parents/guardians concerning relevant child successes, accomplishments, problems, etc.
- Call and/or provide a written incident report of accidents, injuries or behavioral problems.
- Treat all members and parents with dignity and respect at all times.

GREAT FUTURES START **HERE.**

Discipline Policy

If and when inappropriate behavior occurs, Club staff will attempt to redirect the offending child's behavior. It is our goal to provide youth with skills needed to find effective yet peaceful resolutions to obstacles that lay before them in life.

To achieve this, we encourage members to recognize that no matter what the circumstances, he/she has many choices available and that they must accept responsibility for the resulting consequences.

Each situation will be approached in a manner that gives the greatest amount of dignity and respect to all members. As often as possible, discussions with staff will be conducted away from other members and consequences will be administered in private. Consequences for a member's inappropriate behavior will be shared with his/her parents only and will not be discussed with other Club members or their families.

Zero Tolerance Policy

The safety of our members is our primary concern and therefore we have no tolerance for fighting, drug possession, weapon possession or bullying. If a member acts in an aggressive manner with the intent of harming another member he/she will be suspended. We understand that each situation is different and some incidents are more severe than others; therefore, our discipline may vary depending on each individual incident.

Bullying Policy

Boys & Girls Clubs of West Central Missouri prohibits bullying as defined by this policy. Retaliation against anyone involved in the complaint is a violation of BGCWCM policy.

Bullying occurs when a Club member or a group of Club members engages in written or verbal expression or physical conduct that:

1. Will have the effect of physically harming a Club member, damaging a Club member's property, or placing a member in reasonable fear of harm to the Club members person or of damage to the Club members property; or

Our Mission: To inspire and enable all young people to realize their full potential as caring and productive citizens.

2. Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidation, threatening, or abusive Club environment for a Club member.

Examples of bullying may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading or ostracism. If bullying occurs, BGCWCM will take appropriate disciplinary action in accordance with its Disciplinary Policy.

Cell Phones & Electronic Devices

The Club's primary goal is to provide quality programming and fun experiences to its Members. Prohibiting the use of cell phones and other electronic devices allows members to gain more from programming, build better relationships with peers and staff through face-to-face interactions, allows for enhanced focus without the distractions, minimizes the opportunity for theft, minimizes embarrassing or hurtful social media incidences and other Members will not be distracted away from programming.

In order to optimize experiences, BGCWCM has adopted the following rules:

- Cell phones and other electronic devices must be secured by the member while in BGCWCM facilities unless used as a tool of a BGCWCM program. Programming that requires the use of these devices must have prior approval of the Director.
- Texting, conversation, email, playing games, taking pictures and/or using the camera features will not be allowed. Due to today's technology, an incident can occur and become viral before leadership becomes aware and that will affect all stakeholders as well as the image of the BGCWCM.

If you are interested in the CACFP, or have questions about the Program, call 1-800-733-6251 or access our website at: www.health.mo.gov/cacfp

USDA is an equal opportunity provider and employer.

Rev 12/2015

How does CACFP work?

CACFP reimburses participating centers and child care homes for serving nutritious meals. CACFP is administered at the federal level by the Food and Nutrition Service (FNS), an agency of the U.S. Department of Agriculture.

The Missouri Department of Health and Senior Services – Bureau of Community Food and Nutrition Assistance (CFNA) administers the CACFP. CFNA approves sponsoring organizations and independent centers to operate the program on the local level. CFNA also monitors the program and provides guidance and assistance to assure that sponsors and centers are meeting requirements.

Sponsoring organizations play a critical role in supporting home child care providers and centers, through training, technical assistance, and monitoring. All family or group child care homes must participate through a sponsoring organization. Several types of organizations can be approved to serve as sponsors, e.g., community action groups, nonprofit organizations and churches.

What is CACFP?

CACFP is the Child and Adult Care Food Program, a Federal program that provides reimbursement for healthy meals and snacks served to children and adults in day care settings.

In Missouri each day, more than 54,000 children and older adults participate in CACFP. CACFP helps families meet the nutritional needs of their dependent children and vulnerable adults. In addition, CACFP plays a vital role in improving the quality of child care and making it affordable for many low-income families.

In addition to child care, CACFP helps make afterschool programs more appealing to at-risk youth. By offering nutritious and tasty snacks and suppers in programs serving low-income areas, centers can increase participation and know that youth are getting a healthy meal.

Homeless children and children from temporarily displaced families can also receive up to three meals each day through shelters that operate the program.

Who is eligible for CACFP meals?

- Children age 12 and under.
- Migrant children age 15 and younger.
- Youth through age 18 in afterschool programs.
- Functionally impaired adult participants or adults age 60 and older enrolled in an adult day care center.

Which facilities can participate?

Many different facilities operate CACFP, all sharing the common goal of bringing nutritious meals and snacks to participants.

- **Child Care Centers:** Licensed or approved public or private nonprofit child care centers, Head Start programs, and some for-profit centers serve meals to large numbers of low-income children.
- **Family Child Care Homes:** Small groups of children receive nonresidential child care in licensed or registered private homes.
- **Afterschool Care Programs:** Centers in low-income areas provide free snacks to school-aged children and youth.
- **Homeless Shelters:** Emergency shelters provide residential and food services to homeless children.
- **Adult Day Care Centers:** Public, private nonprofit, and some for-profit adult day care facilities provide structured, comprehensive services to functionally impaired, nonresident adults.

What kinds of meals are served?

CACFP facilities must follow meal patterns that are established by USDA.

- **Breakfast** consists of a serving of milk, fruits or vegetables or juice, and grains or bread.
- **Lunch and dinner** require milk, grains or bread, meat or meat alternate, and two servings of fruits or vegetables.
- **Snacks** include two of the four components: milk, fruits/vegetables, grains/bread or meat/meat alternate.

Support

The Boys & Girls Clubs of West Central Missouri is a not-for-profit organization. In an effort to keep program fees at an affordable rate and to support programming, the Club encourages parents and families to support the Club with a financial donation or volunteerism.

Donations of all levels are welcome; whether it's \$5 or \$5,000 every dollar that comes into the Club goes directly to impacting and improving the lives of area children.

Here are a few special funds you may choose to contribute to:

- Annual Campaign - general operating funds used to pay for programming, staff and other everyday expenses
- SAY Yes Scholarship Fund - monies collected go toward helping Club members whose families may not be able to afford the daily programming fees
- Unmet Needs Fund - helps members and families in need
- Endowment Fund - contributions will help the Club ensure it has a sustainable future

The Club also relies on volunteers to act as mentors, help with programs and assist at fundraising events.

Here are a few ways you can make a difference through volunteer work:

- Help children through homework assistance, tutoring and mentoring
- Assist with a fundraising event for your child's site
- Teach a life skill such as cooking or sewing
- Serve on your local advisory committee
