A BENEFIT FOR BOYS & GIRLS CLUBS OF WEST CENTRAL MISSOURI

PRESENTED BY

The  Family of Dealerships

FEBRUARY 20, 2021

Welcome

The year 2020 was unprecedented and unexpected, to say the least. Like many of you, Boys & Girls Clubs of West Central Missouri had big plans for the year, including celebrating our 60th anniversary, increasing Club member attendance, and expanding fundraising opportunities to ensure our doors are always open.

Many of our 2020 plans were put on hold when the pandemic hit. Instead of planning new program lessons or event details, Boys & Girls Club staff pivoted to thinking about how best we could serve the children who need us most. We helped pack meals for

Sedalia 200 students, provided virtual programming, and even expanded the Summer Program for an additional three weeks. We partnered with local and state officials to qualify for grants that would help pay for needed cleaning supplies, masks, Chromebooks and whatever was needed to keep us all safe in this new setting.

Welcome

We did this all because the mission of the Boys & Girls Clubs of West Central Missouri calls us to do whatever it takes to be a safe, stable, fun and educational place for children to go when school is not in session. The pandemic did not change that key fact. **2020 may not have been the year we were expecting, but it was a year that truly showed how much community and friendship means in uncertain times.**

An Evening of Heart & Hope, presented by The W-K Family of Dealerships, is sometimes considered a kickoff to set the tone for our fundraising efforts for the year. And while we aren't in person this year - catching up and chatting with friends, playing Boozy Bottle Toss and watching a bid-off during the live auction - the importance of bidding from the heart and donating to the cause is still great.

Thank you for joining us to support more than 1,000 members who walk through our doors each year. **Your gift tonight is an investment in our community and its future leaders and a reminder that we're all in this together.**

Remember to bid from the

Nucor believes there's a difference between community investment and being invested in the community. We want to be invested in our communities – to not just write the check, but to also show up to build the playground.

Nucor teammates are committed to being good neighbors in the communities where we work, live and raise our families. From schools and parks to charitable organizations and disaster relief efforts, building stronger communities is just part of what we do.
